Terms and Conditions

On your booking, please advise us if you have any medical conditions, allergies or pregnant so that we may recommend suitable therapy, where possible and avoid disappointment if the treatment cannot be performed due to these conditions.

Kindly arrive 15min prior to your reservation to complete your consultation form and get ready for your treatment. Should you arrive late for your given arrival time, this will result in a reduced time being available and in some cases could result in your treatment being cancelled with full charge. We require a 50% deposit upon making your reservation to secure your appointment.

Spa facilities include Jacuzzi and Steam Room **when requested**. Please note the Jacuzzi and steam room are in the same area as the ablution facilities and the shower facilities, and it would be required of you to bring your bathing suit for the use of our facilities.

If you intend to settle with a gift voucher, please do mention this to us on booking your spa journey and bring a printed copy of the voucher with you to present on your arrival. Please note, treatments will not be eligible for discounts if paid with a voucher. Please note our Pure Day Spa vouchers are valid for 3 years.

We kindly request all Guests to respect other Spa users by refraining from the use of mobile phones. We reserve the right to ask any Guest or group of Guests to leave the Spa if they are disturbing other guest's Spa journey.

Cancellation Policy

We require a minimum of 24 hours' notice prior to your treatment time, should you need to cancel your reservation - to avoid any payment penalties. We will however extend an option to change your date and rebook another date when this request is made.
